

## Vu Viet Hoang

Front-end Developer

### CONTACT INFO

**Date of birth:** 05/06/1999

**Phone:** 0898 712 653

**Email:** [hoang9cnd@gmail.com](mailto:hoang9cnd@gmail.com)

**Skype:** live:hoang9cnd

**Linkedin:** [hoang-vu-viet-93608114b](#)

**Address:** 62A Nguyen Huy Tuong, Thanh Xuan Trung, Thanh Xuan, Ha Noi

### SUMMARY

I'm a front-end developer with about 3 years of experience in ReactJS technologies. I desire to work and express myself in a professional, dynamic and challenging environment, improve practical knowledge, and supplement professional experience.

Learning new languages and technologies is what I am passionate about. I am considered a team-player because I like to help others and tend to work well within the group. I can also do some mentoring tasks and do code reviews for other team members.

### TECHNICAL SKILLS

- **Languages:**
  - JavaScript, TypeScript
  - HTML5, CSS3

Build user behavior statistics graphs with amCharts 4.  
Write key technical documents and mentor new members of the team.

## **PASTIMES AND ACTIVITIES**

- I am keen on reading books, IT blogs, Medium, and Quora in my free time. My favourite books are: Clean Code, The Pragmatic Programmer, JavaScript Data Structures and Algorithms.
- I enjoy going for a walk, or for a hike in nature. That's why I try to minimize the screen time when outside of work, to give my eyes and my back a rest that they deserve.
